

# Algebra II Class Worksheet #4 Unit 7 page 1

Write the equation in standard form and the equation in general form for each parabola.

1.

2.

## Algebra II Class Worksheet #4 Unit 7 page 2

Express each equation using 'standard form' and sketch a graph.

3.  $2x^2 - y + 12x + 17 = 0$

standard: \_\_\_\_\_

4.  $y^2 + 4x + 2y - 11 = 0$

standard: \_\_\_\_\_
